

CONNECTED BY US

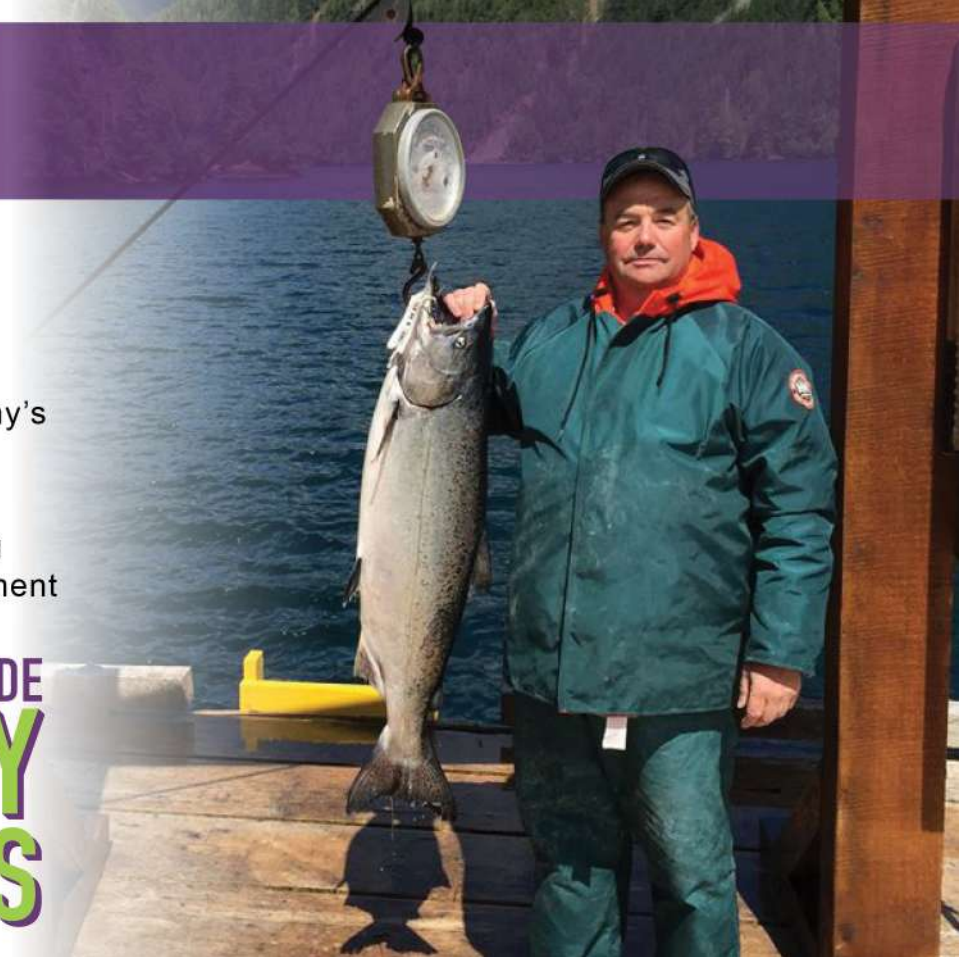

Meet Richard Jackson, Director of Network Operations for Inland Cellular.

Richard and his wife, Ranae, have five sons and one daughter ranging in age from 11 to 24. He has been with Inland Cellular for 26 years, and is in charge of the company's network infrastructure, cell sites, switching equipment and network operations.

His favorite aspect of working for Inland Cellular is having the "ability to think outside the box for solutions and implement them." In his downtime, Richard enjoys spending time in "the great outdoors" and playing softball.

When customers use Inland Cellular for their personal or business communications needs, they support Richard and 100 other employees and their families who live and work in our region.
