

# CONNECTED BY US

## Meet Erik Bailey, tower technician for Inland Cellular.

Erik and his wife, Holly, have two children, Katelyn, 21, and Karlie Jo, 13. He has worked in Arizona, California, Oregon, and Washington, but said none of those places has what Idaho has to offer. "I have quick access to mountains, rivers and lakes... Idaho will always be my home."

Erik has helped build, maintain, and upgrade cell sites for Inland Cellular for 14 years. "I have been climbing and working on towers since 2000. It makes me have a sense of accomplishment when we provide cellular coverage to a new area or take a snowmobile to Elk Butte Lookout in January to chip the ice off of our backhaul microwave antenna to restore service."

"Working at Inland Cellular is great. My coworkers are like a big family, and when there is a service problem, everyone comes together to solve it."

**MADE BY US**

# MADE BY US

**134** operated & managed cell sites

**979,294** GB of data used through the network in 2017

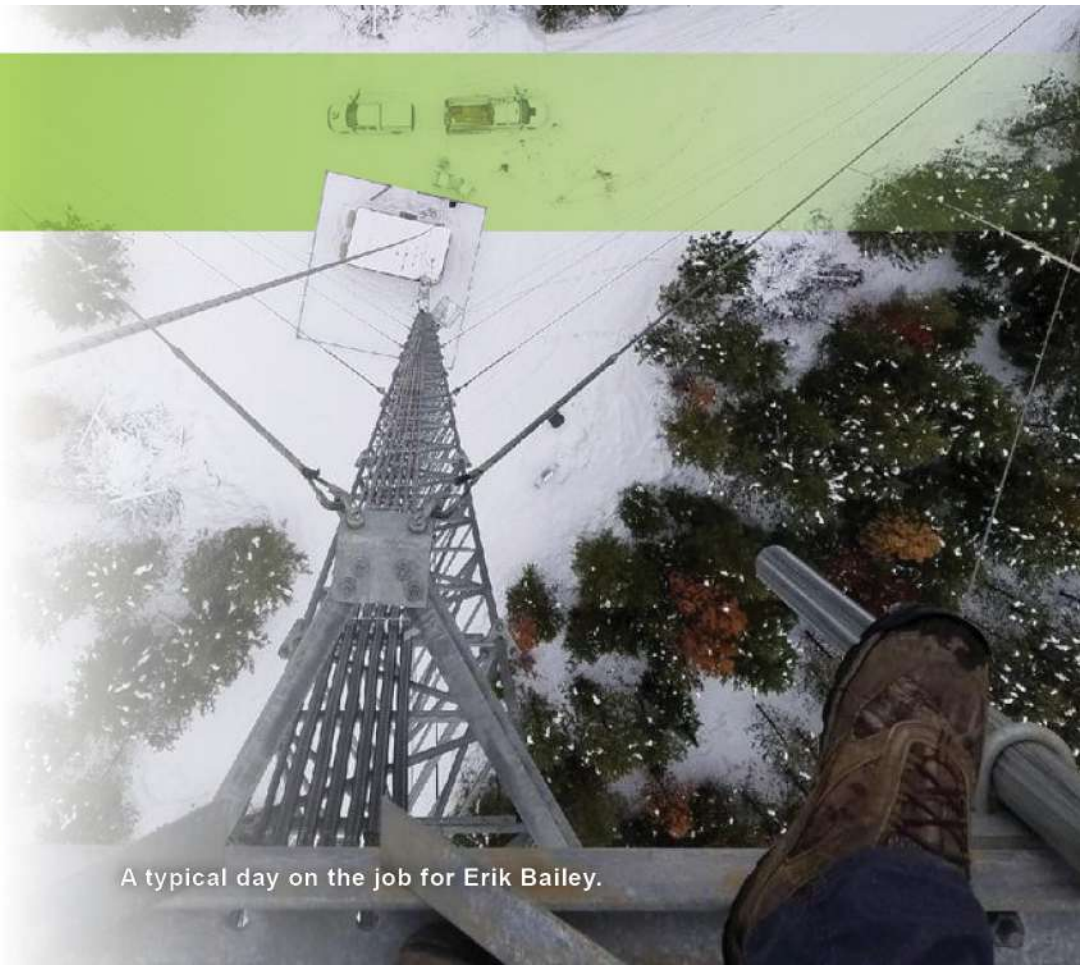

**∞** customized solutions for our customers

**BUY LOCAL AND MAKE A DIFFERENCE.**

**19,276** devices sold per year

**\$185,000** donated annually to local organizations
