

EXCELLENCE BY US

Heather Davis-Remacle, PA-C, of Tri-State Family Practice & Internal Medicine, is the first recipient of Tri-State Memorial Hospital's Provider of Excellence Award!

The Tri-State Provider of Excellence Award was created in honor of Dr. Richard Weiland, one of the original four primary care providers who joined the Tri-State Memorial Hospital Primary Care Clinics in 2011. Patients, family members, co-workers, physicians, or staff can nominate a Tri-State provider who exemplifies the qualities that Dr. Weiland possessed; community impact, leadership, integrity and patient-centered care. A single provider of any specialty will be awarded this recognition yearly on National Doctors' Day. To nominate your provider for the Tri-State Provider of Excellence Award, visit [TriStateHospital.org/DoctorsDay](https://tristatehospital.org/DoctorsDay).

"I am so honored to receive this award. I feel grateful to work with a wonderful staff at Tri-State and could not do my job without my nurse Anna. I love coming to work every day because of my patients."

FAMILY BY US

Family is who listens when times are tough. At Tri-State Family Practice, we are your family.

In 2021, between the three Tri-State Family Practice Clinics, their providers had over 52,000 patient visits, offering primary and family-centered care, including annual wellness exams, immunizations, and more!

"It is because of Jennifer's Creaser's support, knowledge, and kindness, that I have been blessed to regain joys again," said Deb Warner-Marbach. "She knows what I need and how to formulate the necessary care to see me thrive. I'm thankful every day that she is my provider."
