Meet our Urologists

Tri-State Urologists Dr. Duncan Harris, and Dr. Kenneth Berger, are experts in their field, specializing in the treatment and diagnosis of the male and female urinary tract. They treat a wide range of urological services including urinary incontinence, urinary and kidney stones, reproduction, kidney, bladder, interstim, prostate, and urinary tract care. Additionally, they offer services that include, but are not limited to: Botox, bladder repair and surgery, cystoscopy, genitourinary syndrome of menopause, lithotripsy, neurogenic bladder management, urethral abnormalities, and vasectomy. Each of these providers work in partnership with patients to provide the best comprehensive care plan so that they can begin to Heal Today, Thrive Tomorrow.
