Meet Lisa Callahan (NMLS: 1178091)

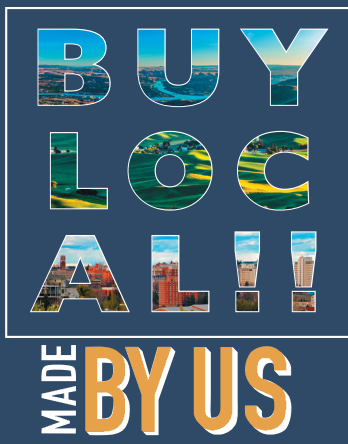

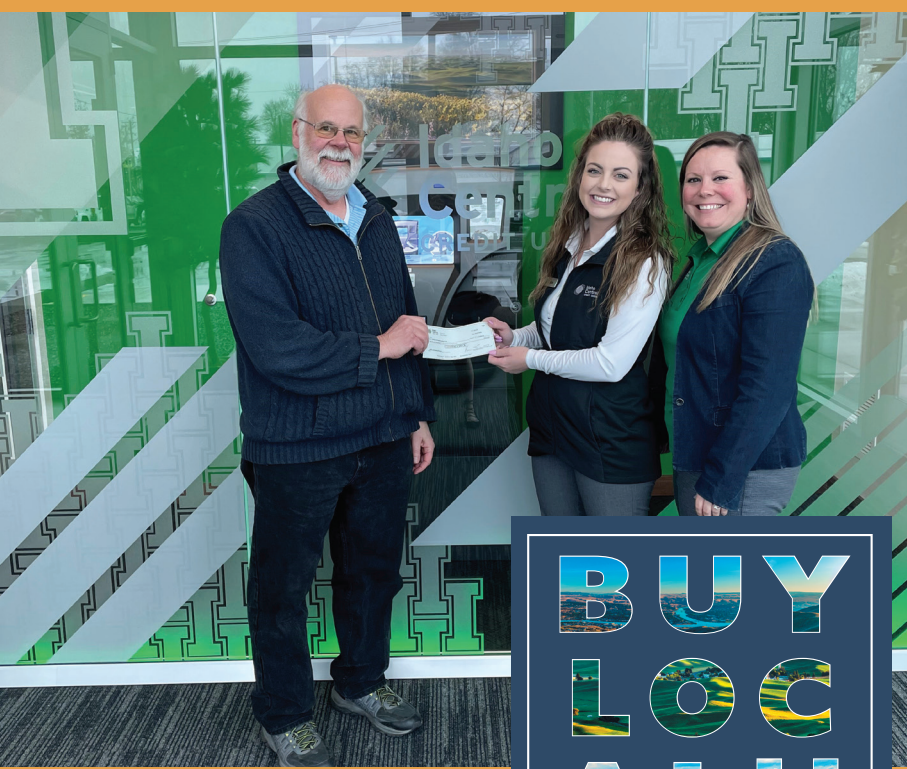

Idaho Central Credit Union has been making a big splash in the Inland Northwest! The Green Team loves this valley and has helped many small businesses and individuals achieve financial success with their financial tools and team of experts. Lisa Callahan, a North Idaho native, is one of those experts who has helped many families navigate the mortgage process in the Lewiston-Clarkston Valley.

Lisa is very involved in this community and has built strong relationships through her business and nonprofits. She is the Vice President of the Women's Connection of the LC Valley and an ambassador for the Lewis Clark Valley Chamber of Commerce. Outside of work, Lisa enjoys spending time with her husband and three boys. Together they love traveling, camping, boating, and anything outdoors!

Lisa is passionate about assisting people with often the biggest purchase of their lives. She sees the mortgage loan process as a puzzle, and is dedicated to finding the best fit for you! If you are looking for a Mortgage Loan Officer in North Idaho, Lisa is ready to help you through every step. Contact her today at (208) 310-0426 or lcallahan@iccu.com.

BACKING BY US

Whether you're buying, refinancing, or building, Idaho Central has the loan for you! No matter what type of borrower you are, ICCU offers services to help you achieve your dream of being a home owner. With quick, local underwriting, ICCU knows the market and saves you time and money with fast approvals and low fees.

Buying a home is a big deal and Idaho Central has several free tools that can simplify the decision making process! Their Rent vs. Buy Calculator can help you understand the fees, taxes, and monthly payments by giving you an easy-to-read report to see what makes sense for your lifestyle. They also have a Home Loan Calculator so you can figure out what your principle and interest would be when you decide to buy. They offer a variety of products well suited for any homebuyer, whether this is your first home or the home you plan to spend retirement in. Check out <https://www.iccu.com/loan> for more information and contact one of their home loan specialist to help begin the process today!
