

# THE FUTURE MADE BY US

At Lewis-Clark State College, 81% of the student body receives some type of financial aid, and the majority are first generation. They are future nurses, auto repair technicians, teachers, accountants, writers and more. Scholarship support, from generous donors like you, helps make their dreams a reality. Financial support from alumni, friends, corporations and others not only keeps LC State strong, it also allows our students to focus on their education. Your tax deductible donation makes a difference. We hope you'll consider donating to one of the many scholarships we offer at LC State. Your donation truly impacts lives.

Consider making your donation before Dec. 31 to qualify for a 2022 tax deduction. To learn more, or to make a donation to LC State, visit [www.lcsc.edu/giving](http://www.lcsc.edu/giving) or call 208-792-2458.
