

MADE BY US BUY LOCAL!!

Meet Chad Erickson, Service Manager for Hahn Rental Center.

Chad, who has spent 23 years working at Hahn, appreciates the friendships he has cultivated with coworkers and customers. He is grateful for his work, which provides him with the opportunity to connect with others.

Chad has been married to his wife Julie for 32 years. The couple has two sons, Andy and Jake, who've grown up and chosen to call Lewiston home. The family has only expanded, with Andy wedded to Amanda, and together they have four beautiful children - Alana, Kylin, Cade, and Peyton. Jake is happily in a relationship with Paige, who has a son to call her own - Noah.

Chad cherishes Lewiston, a small town with a relaxed pace and homely ambiance.

When he is not in the office, Chad likes to spend time outdoors, steelhead fishing, hunting, camping, and jet boating on the Snake River in Hells Canyon. His son's Andy and Jake often adventure together, bonding over their shared love for nature. Chad and his family enjoy spending time exploring the area around their family cabin in Weippe. This includes spending time at the North Fork of the Clearwater and overlanding on Trail 500.

"The recreational opportunities are some of the best you can ask for."

"We know the rental business, if you need it – Hahn has it"
