

# MADE BY US BUY LOCAL!!!

Idaho Central's passionate and dedicated team members are ready to roll up their sleeves and work together to help their members achieve financial success. That's never been more true than for the dynamic duo of Mariah Miller and Kathryn Boardman. These Community Development Officers are here to make an impact on North Idaho members through economic development, empowering small businesses, and enhancing the quality of banking for ICCU's members. Kathryn is a Lewiston native and grew up in the Valley swimming, fishing, and exploring the Snake River before

attending the University of Idaho and starting her career at ICCU. Mariah moved to North Idaho after falling in love with the area and has become very involved with the community, recently receiving the "She's All In" award from the Lewis Clark Valley Chamber of Commerce. You may have seen them both out and about with their signature green Jeeps providing financial education, volunteering at nonprofits, and participating at events. If you have questions about becoming an Idaho Central member, questions about sponsorships, or would like to collaborate, don't hesitate to give them a call at (208) 589-6947.

The countdown to the highly anticipated 89th Annual Lewiston Roundup has begun! This event always brings heart-pounding action, family-friendly entertainment, and a rich celebration of Western heritage. Dating back to 1935, the Lewiston Roundup Association was chartered with the intent to bring the community of North-Central Idaho together every September for a memorable experience. From rodeo competitions to children's activities and live music, this all-encompassing celebration has something for everyone. Beyond the arena, the Roundup contributes

to the community by supporting local charities and organizations in keeping with the generous spirit of the cowboy way! Idaho Central is proud to have supported this amazing event through securing the naming rights to the ICCU Outdoor Arena at the Lewiston Roundup Facilities. They appreciate getting involved in what their members are passionate about, and people love this tradition of showcasing the best talent in the rodeo world. So saddle up, and join us September 6-9 to create lasting memories at the Lewiston Roundup!
