Jackie Purdy, RN, BSN, Cosmetic Injector, at Aquavia Aesthetics was the first recipient of TriState Health's new employee Be the SPARC Award!

Jackie was nominated by her fellow co-workers for being outstanding, friendly, and always a joy. The "Be the SPARC" Award is a quarterly recognition that was established to honor employees who are creating

a positive environment for staff and patients. This award recognizes those who provide compassionate service and establish connections with their peers and patients while being committed to the highest standard of work ethic. "Jackie comes to work every day with a positive attitude and an uplifting spirit. Without a doubt, Jackie goes above and beyond for her patients." - Nominee

Tri-State Memorial Hospital is now TriState Health. Since our establishment in 1955, we have evolved and expanded to meet the healthcare needs of our community. We are so much more than just a hospital. With three primary care clinics, 20 specialty clinics & services, and a medical spa (Aquavia Aesthetics), every member of the TriState team looks forward to continuing to provide you and your loved ones with the highest level of care, support, and

collaboration. Our 650 employees are at the heart of what we do, and that is what makes us unique. Together, we are TriState Health. Together, we are committed to challenging ourselves every day to bring innovative ideas and advanced technologies, while providing simple human kindness to improve the lives and health of our patients and their families. **Welcome to a better state of health.**
