

THIS BUSINESS IS SUPPORTED BY LOCAL DOLLARS

My name is Crystal Helenske, My husband Tyler and I- along with our 3 kids- are the owners of The Batting Cage. We have been in business for a little over 3 weeks now! Our customers are not just clients; they are our community, our friends, and our partners in this venture. We are committed to providing a welcoming, safe, and inclusive space where everyone, regardless of age or skill level, can come to improve and have fun! We are excited to be a part of the community. In the short time we've been open, we have already started engaging with the schools, youth sports teams, and other community organizations. We offer discounts to local teams, hitting and pitching instruction, organize camps, clinics and special events to promote the love of baseball and softball among our young athletes.
