Meet Ana Jared

Step into the picturesque town of Pierce, Idaho and you'll find Ana Jared, the friendly Branch Manager at the White Pine Branch of Idaho Central Credit Union. Originally from Kooskia, Ana brings a warm welcome to ICCU members looking to achieve financial success. Married with a bustling household of five children, two dogs, and four horses, Ana and her family enjoy all the classic North Idaho activities including hunting, fishing, camping, and attending local rodeos. At White Pine, Ana creates a close-knit, family atmosphere with her team of four, focusing on personalized connections with members.

Providing convenient access to financial services for all branches, including those in rural areas, is a top priority for Idaho Central. It's not just banking – it's building a community together! For more information on Idaho Central or how to become a member, please give them a call at (800) 456-5067.

Idaho Youth Challenge Academy Nestled in the heart of Pierce, Idaho, the Idaho Youth Challenge Academy is dedicated to uplifting struggling high school students across the state, ensuring they find the strength to build a brighter future and graduate with their diplomas. This dynamic program infuses discipline and structure into a positive learning environment, sparking transformative changes in the lives of these resilient individuals. Twice a year, the community comes together as local businesses, including the enthusiastic team at Idaho Central Credit Union, volunteer to host mock interviews. It's not just about practice – it's about real-world experience. Idaho Central Credit Union passionately engages with these students, offering support, confidence-building, and a personal connection that sets them on the path to future employment opportunities.
