

# BALANCED BY US

Meet Bobbi Combs, P1FCU's Warner Branch Manager.

Bobbi grew up in Lewiston with her parents and two brothers. She and her husband for 21 years have two step children and a grandson, as well as two children that are still at home. Bobbi loves spending time with family and friends, and she's been with P1FCU for 11 years.

"As a Branch Manager you do MANY things. The most rewarding part of my job is still and always will be helping our members. Being able to assist members with their daily transactions, help them buy their first car, help someone out of a difficult situation, even balance a checkbook for someone that is struggling to figure out why they cannot balance with their statement. Knowing that you have made someone's day better is the MOST rewarding part of my job."

"I enjoy the people I work with. I like and believe in what P1FCU stands for and also does for the community and our members."
