

SERVICES BY US

Meet Brandy Kole, manager of P1FCU's Southway branch in Lewiston.

During her downtime, Brandy enjoys spending time with her family, which includes her husband, Craig, and their children, Peyton and Preslee. But during the workweek, she can be found working with her team at P1FCU to help members in a variety of ways, including opening new accounts and loans.

"It is most rewarding to help somebody with a loan that maybe they didn't think they would qualify for," said Brandy, who has been with P1FCU for 21.5 years. **"Those are the people that are so very thankful that we have given them a chance and become your life-long members."**

She's also proud to work for a company that is so involved with the communities it serves, supporting myriad events and causes.

"P1FCU is an amazing company to work for. They take such great care of their employees. I love all the people I work with and look forward to coming to work every day."

VALUED BY US

Meet Destinie Hummell, manager of P1FCU's Call Center branch.

Destinie is the proud mother of two sons, ages 7 and 5, and spends her free time "making memories" with them, whether it's "watching baseball, camping, fishing, taking our paddleboard or kayaks out and exploring." She has been with P1FCU for almost a decade, and estimates that the Call Center assists about 1,200 to 1,500 members per day.

"I find it very rewarding that we get to interact with members all over the world that we normally wouldn't get to assist in a branch," she said. **"I ... truly enjoy the day-to-day relationships that I have with my team."**

Above all else, she is proud to work for a company that so highly values the communities it serves.

"I thoroughly enjoy our community involvement and everything P1FCU stands for."

ECONOMIES BY US

"We strive to make P1FCU a place where our staff have careers, not just a job, and work to provide a fun environment where our staff is greatly appreciated for their unique talents and expertise."
