

# CUISINE BY US

Meet Caleb Smith from Mystic Café.

Caleb was born and raised in Lewiston, Idaho, where he currently resides with his wife, Tenna. When he is not busy exploring the outdoors, he works as general manager of Mystic Café in beautiful downtown Lewiston. He has been with Mystic for two years and was promoted in June. *"Happy Day Restaurants has created such a welcoming environment, and they take good care of their employees."*

As manager, Caleb is responsible for keeping operations running smoothly while being welcoming to both customers and staff. *"We have been working hard to consistently bring new and exciting changes to our store. We're here to make sure our guests have good food, good atmosphere, and good service."*

With these new and exciting changes comes a newly released menu, with different dishes for you to try! Mystic's extensive Wine Bar provides you with a variety of regional choices including many local favorites that can pair nicely with any meal. Mystic Café is here to give you an enjoyable experience for breakfast, lunch, and dinner.

LEWISTON TRIBUNE

# LOCALLY GROWN BY US

*"Our family has been living and farming in Lewiston since 1916. Karl and I are proud to be ushering in the next era of our family farm with Clearwater Canyon Cellars! Our estate vineyard and winery is dedicated to producing world-class wine from grapes grown in the Lewis-Clark Valley! One of our greatest joys is working with our fellow Lewis-Clark Valley businesses for everything from printing to farm supplies. Thank you to all that have helped us become the 2020 Pacific Northwest Winery of the Year!"*
