

# SALES OPERATIONS BY US

Meet Shane Wilcox, Customer Service and Counter Sales at Hahn Rental Center in the Lewiston Orchards.

Shane was born in Butte, Montana, and spent a good portion of his adolescence living in both Anaconda and Helena before moving to Lewiston in 1973 when his father was transferred to the area with Buttrey Food and Drug. He and his wife, Lisa, have three children and five grandchildren.

He started working for Hahn last October. Being able to take care of customers' needs and concerns is a big part of Shane's job. He helps load and unload rental equipment, checks rentals in and out, cleans equipment, and makes sure his customers are familiar with using the equipment.

Shane enjoys working with the team at Hahn and the customers he waits on. He said he learns something new every day, and Hahn takes great care of its employees.
