Meet Erika Bush-Gaskill, Assistant Manager and Rental Coordinator for Hahn Event Rentals. This month marks her 11th year working at Hahn.

Erika primarily oversees the event rentals in the Moscow branch, while also lending a hand with the equipment rental side of the store.

"I enjoy helping our customers and meeting people from my home community. Our team at Hahn has a great time at work so it doesn't always feel like a job. I have seen this company change and grow over the years and it's awesome to be a part of that."

Outside of work Erika spends a lot of time baking, reading and playing hockey in the winter. She loves spending time with her family and is grateful to have her parents and siblings nearby. Living in the Inland Northwest she is able to pursue her love for camping and boating on Idaho's rivers.

"I love living in this area - there is something new to explore outdoors in any direction, on any day, and there are good people here."
