Meet Bethany Ernsdorff, bookkeeper for Hahn Rental Center.

Bethany has worked for Hahn Rental Center for nearly 15 years. While her official job involves overseeing back-office functions for Hahn's Rental division, she has become a jill-of-all-trades and helps with a variety of duties at Hahn Supply.

Born and raised in Lewiston, Bethany attended All Saints Catholic School, Jenifer Middle School and Lewiston High School. She received her bachelor's degree in Business with an emphasis in Accounting from LCSC. Her older brother, Matt, also graduated from LC State and has worked as a Civil Engineering Technician at HEDCO, Inc for 16 years. Both of their parents retired from Valley Medical Center, working a combined 70-plus years.

Bethany enjoys living in the Inland Northwest because of the immediate access to nature. "You don't have to go too far before you're hiking through a forest, playing in the river, or finding a hidden camping spot to enjoy the quiet of nature."

One of her favorite aspects of her job at Hahn Rental is the team she works with: "We all get along, help each other when needed, and we are always laughing."
