

THIS BUSINESS IS SUPPORTED BY LOCAL DOLLARS

Jim Harbour has owned Porch Light just over 8 years.

They support many local organizations such as Pullman High boosters, 5th grade camp spaghetti feed, RTOP, and others.

**New guests and regulars all play a role in our success. Our guests create a fun energetic environment that we strive for.*

**We love being a part of the downtown core and people grabbing a pizza prior to a picnic in the park or attending outdoor live music.*

We also love supporting local breweries and wineries at our establishment. And, we are most proud of our partnership with Harvest Ridge that locally produces all the flour that we use in the pizza making process.
