

# MADE BY US BUY LOCAL!!!

Wherever Clearwater Paper is located, be it in Lewiston or any of our other mills or offices, we aim to build up the community and actively support the people who live there. Year round, we foster partnerships through volunteerism and donations. Our employees also hold a key role in giving back by serving on charitable contributions committees, voicing the needs of the community, and deciding where we can make a difference. While the below list isn't exhaustive, it is packed with incredible highlights and community-bolstering examples of how we are making a real impact in Lewiston.
