

MADE BY US BUY LOCAL!!!

Meet Mike Vincent-Taylor, the warehouse supervisor at Hahn Supply.

With three years of dedication to the company, Mike's commitment goes beyond the job. His favorite aspect of working at Hahn Supply is the people he interacts with daily, especially the contractors who rely on the supplies they provide.

Mike has been a resident of our community for over two decades. As a lover of the outdoors, Mike enjoys the activities that the Inland Northwest has to offer.

In his free time he can be found helping his friends with home improvement projects or putting his culinary skills to the test when he's behind the grill or smoker.

Mike has been happily married for nine years and is a proud father of two boys and two girls. For Mike, weekends are all about cherishing the moments with his close-knit family and friends, creating memories that will last a lifetime.

Supporting businesses like Hahn Supply means supporting dedicated individuals like Mike, who are deeply woven into the fabric of our community. So, when you choose to buy local, you're not just investing in quality products and services; you're investing in people like Mike who help our community thrive.
