

MADE BY US BUY LOCAL!!!

Meet Vince Hazen, the store supervisor at Hahn Rental in the Lewiston Orchards.

Vince is a long-time employee of Hahn Rental and has worked for the company for 12 years. His passion for the job goes beyond the day-to-day tasks; Vince thrives on building meaningful relationships with customers, making every interaction a positive experience.

He has lived in the Lewiston area most of his life.

Despite exploring other places, he has always found his way back to the place he calls home.

Vince enjoys living in the Inland Northwest because of the small-town feel of our community, combined with easy access to rivers and forestry.

Beyond the workplace, Vince has a passion that keeps him busy – bowling! You can often find him showcasing his skills at Lancer Lanes.
