More than coffee. More than cuisine. A place where the community comes to life.

For years, **Mystic Café** has been a beloved destination for cozy charm, quality coffee, and beautifully crafted breakfast and lunch. But recently, something magical has been happening when the sun goes down—**Friday nights at Mystic** have turned into something truly special.

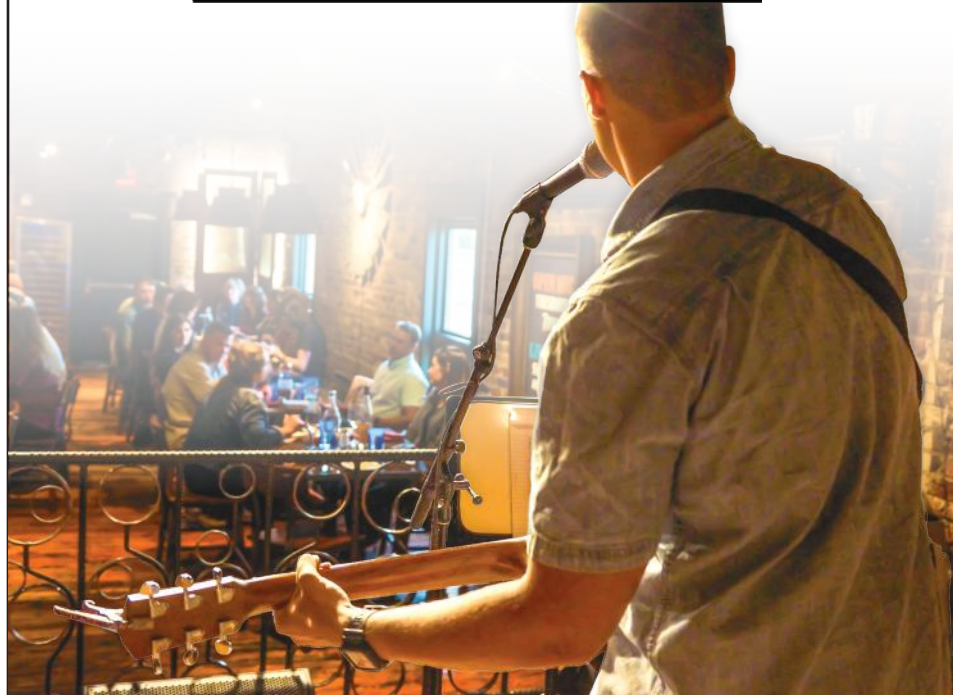

Nearly every week, Mystic Café opens its doors to local musicians and groups, creating a vibrant space where the community can gather, relax, and connect through live music. The genre changes week to week—one Friday it's folk harmonies, the next it's blues riffs, jazz improvisation, or a night of classic country covers. That ever-changing lineup is part of the charm, and it's quickly become a treasured local tradition.

With a glass of wine or a cold beer in hand and a dish fresh from Mystic's seasonal menu, guests are invited to ease into the weekend while supporting talented regional artists. It's no wonder Mystic was recently nominated for Best Live Music in the **Best of the Inland Northwest**—a nod to the energy, talent, and heart that fills the space each week.

Mystic Café is proud to be part of the **Happy Day Restaurants** family—a locally grown group of eateries committed to community, hospitality, and unforgettable food experiences.
